

Housing Authority of the City of Orange

Walter D. McNeil, Jr., Ph.D.
Executive Director

340 Thomas Boulevard
Orange, New Jersey 07050
Phone: 973-675-1250 | Fax: 973-675-6843

Dear Prospective Vendor,

Thank you for your interest in the Housing Authority of the City of Orange's **Request for Proposal (RFP) for Information Technology & Security Support Services**.

Following further review of the current solicitation, the Housing Authority has determined that revisions to the technical specifications, submission requirements, and procurement schedule are necessary to ensure that all prospective vendors are responding to the same scope of work and that the procurement process remains fair, transparent, and in the best interest of the Authority.

Accordingly, the Housing Authority has elected to **cancel the current solicitation**. No contract will be awarded under the current RFP.

The Housing Authority is preparing a revised Request for Proposal that will include updated technical specifications, revised submission requirements, and a new proposal submission deadline. The revised solicitation is **anticipated to be advertised on August 12, 2026**, and will be posted on the Housing Authority's website.

All vendors who obtained the original solicitation will also be notified when the revised documents become available.

As a courtesy to vendors who previously obtained the solicitation documents and paid the required bid package fee, the Housing Authority will **waive the bid package fee** for participation in the reissued solicitation.

We appreciate your patience and understanding as we work to ensure a fair and competitive procurement process. Additional information, including the revised specifications, proposal submission requirements, pre-bid meeting, and new proposal due date, will be provided when the revised solicitation is released.

If you have any questions, please contact our office.

Thank you for your continued interest in providing services to the Housing Authority of the City of Orange.
