Dear Proposer:

Thank you for submitting a proposal in response to the Housing Authority of the City of Orange, New Jersey's Request for Proposals for **Information Technology and Security Support Services**, issued September 1, 2026.

The Authority is continuing its evaluation and due diligence process and has determined that additional time is necessary to complete its review of the proposals received.

The Authority will provide written notification to all proposers once the evaluation process has been completed and a revised award schedule has been established.

This extension does not constitute an award, rejection, or determination regarding any proposal submitted. All proposals remain under consideration, subject to the terms and conditions of the RFP.

The Authority appreciates your patience and your continued interest in providing Information Technology and Security Support Services to the Housing Authority of the City of Orange.

Sincerely,
